NITRO®+

Heavy-duty HSS drills with Black and Gold Surface treatment for hard metal drilling NOW AVAILABLE with a 3-flat shank!

FEATURES

- All Nitro® + drills are made from premium quality M2 High Speed Steel. Recommended for heavy-duty drilling in a wide range of material groups, including stainless steel.
- 3-flat shank drill reduces slippage in the drill chuck
- Body and flute are black and gold surface treated for maximum lubricity
- Split Point ensures ease of penetration and reduces "walking" when starting a hole
- A complete line of drills available in fractional (410N), letter (450N), and wire gauge (490N) sizes
- Designed for use in portable hand drills
