

# WELDER'S/ARC FLASH HARNESS

## OVERVIEW

The PeakWorks Welder's/Arc Flash Harness is a sure fit Full Body Harness with durability and comfort for those working with welders or those working around electricity. Its fully adjustable design features 5 points of adjustment for maximum comfort.

Upgraded Stab Lock buckles located at the chest and legs make for easy donning. A fall indicator makes for easy pre-use inspections. A large forged dorsally located fall arrest D-ring makes for easy lanyard connection. Hip D-rings are also included for positioning if necessary. Each part is thoroughly tested during the product development stage and is batch tested to confirm conformance.
