Filter Replacement Guide

Get the job done with high-efficiency, low-maintenance performance.

Meet your customers' indoor air quality needs and supplement your service business with Honeywell's full line of replacement filters. From media air cleaner replacements, to high performance return grill filters, Honeywell has a wide range of sizes and designs to fit nearly any application - including competitive-brand air-cleaner models. You can count on Honeywell replacement filters to offer long-lasting, high-efficiency performance without compromising airflow.

Honeywell

FC200 and FC100 | Cartridge Filters

The FC200 high-efficiency replacement media filters continue to set the standard for high-end media replacements with MERV 13 performance. For a great value, try the FC100 which provides MERV 11 performance with low pressure drop.

PopUP | Media Replacement Filters

PopUP Media Replacement Filters provide MERV 11 performance. It ships flat so it won't take up valuable room on your truck, and its packaging is designed to protect it from damage.
FC40R | Return Grille Filters – Honeywell Exclusive

Our patented line of return grille air filters provide long-lasting performance at lower pressure drop than a one inch pleated filter. Use in combination with an air filter, or in standalone applications.

F300 Post Filters | EAC Mesh Post Filters

Maintain maximum efficiency with high air flow media pre/post filters designed for Honeywell's Electronic Air Cleaners.

AprilAire® Replacements

FC2400 and FC2200 | Direct Replacement Filters

For your customers who have an installed Space-Guard® or Aprilaire cabinet, Honeywell continues to offer a complete line of media filter replacements with MERV 10 performance.

PopUP2400 and PopUP2200 | Media Replacement Filters

These PopUP Replacement Filter models are specifically designed to be quickly and easy install into an Aprilaire media cabinet without the use of a plastic inner frame and achieve MERV 11 performance.

FC100A1037 and FC200E1037 | Cartridge Filters

Take advantage of the great features of Honeywell's FC200 & FC100 family with these models to replace installed Aprilaire Model 2200.

Trane®

TRN | Cartridge Filters

Offer better value and high efficiency with these models designed specifically to replace installed Trane Perfect Fit™ filters with MERV 10 performance.
