

SERVICE JACK - DOUBLE PUMPER - 3-1/2 TON

STRONGARM[®]

Product # 030407 | Model # 966HO

- All models designed for the professional user
- All models equipped with safety valve to prevent overloading
- Rear mounted swivel casters for easy maneuverability
- Heavy duty pump, ram and cylinders are precision machined and inspected to ensure long service life and superior performance
- NOTE: Hydraulic Jacks are intended for lifting but not sustaining a partial vehicular load. Immediately after lifting, support the load with appropriate means such as high quality STRONGARM jack stands. • Equipped with a double pump design to increase speed without compromising overall performance of the jack
