Endura® | 398GDP

Heat-resistant split leather gloves with layered grain leather palms for longer wear life and liquid resistance

ANSI/ISEA 105 X X 4

ANSI 3 HEAT

ABOUT THE PRODUCT

Our Endura® 398GDP split leather gloves protect workers' hands against heat hazards and feature a double-layered grain leather palms for added durability. The grain leather palms are stitched with ParaActiv™ fiber throughout the plam to adhere better to split leather which improves integrity. These gloves provide ANSI 3 heat resistance and the goatskin grain palms offers natural abrasion and comfort that resists water and liquids.
